Notes

1 The accounts are for an 11-month period.

2 Donation amount relates to the club meeting the operational costs of its own charity, 'Everton Football in the Community'.

3 £4.5m went into a new charitable trust set up by the club, with donations to be disbursed to charities in the future.

4 Nil indicates that the club gave nothing in the year or failed to disclose what was given.

5 Cash donation shown as £7000 in annual accounts. Chelsea informed us on 26 March that the actual amount was £70,000.

* Indicates financial year ending 2005. All others are 2006.

NB This table purely represents financial donations made by clubs to charities as declared in annual reports.

It takes no account of community involvement schemes, gifts in kind, fundraising projects and disbursements from associated charitable trusts.
